ABOUT NORCON:

Established in 1957, Norcon (LSE/AIM: NCON).has been a trusted consultant and project manager for more than half a century to government and some of the world's largest global firms. These organisations rely on Norcon to select, implement and maintain a communication infrastructure that not only matches, but also supports the critical needs of their operations. Norcon's strength lies in its understanding of complex communication networks and their design. www.norconplc.com
